

ProBenefits

**Great for your business.
Even more fun for you.
Yours if you sell 3 cases.**

**The new Apple iPad 2:
You know you wanna bite.**

You've admired it from afar in airports, coffee shops, and hotel lobbies. Your brother-in-law has one. So does your mom, and the kid across the street.

Won't they be jealous when you tell them yours was free?

Place three or more FSA, HRA, and/or COBRA plans with ProBenefits with effective dates between now and January 2012, and we will give you an iPad. It's as easy as that. Now get selling, and get yours.

Here's the fine print:

To qualify, a producer must place 3 or more new FSA, HRA, or COBRA plans with ProBenefits with effective installation dates between 6/1/11 and 1/1/12. The plans must be standard fee plans (plans with discounted fees do not qualify) that meet the following minimum annualized fee amounts: FSA - \$1,500; HRA - \$1,500; COBRA - \$750.

Any producer that qualifies will be notified by ProBenefits, and the prize will be delivered in December 2011 or January 2012. The standard award is the 16 GB Apple iPad 2. A producer who wishes to select an alternate prize will be given that option at the time of notification. Alternate awards include electronic items of similar value (projector, large screen monitor, iPod Touch, BlackBerry PlayBook, laptop, and certain others).

This promotion is offered by ProBenefits at its full discretion, and no contract is created by this offer. Please contact us with any questions.
